Labor and Economy

## Second Hand Store

Shop and do something good!

## >> \_ SHOP CHEAP

You will find individual favors ...

... and contribute to sustainability. Whether new, useful, lovely ore rare items – the thrift store offers all kinds of second-hand goods.

## >> \_ GOOD TO KNOW

We employ people with support needs to assist them in entering the world of work.

## >> \_ SECOND HAND QUALITY PRODUCTS

You will find goods that have been checked and prepared by our employees: **furniture, crockery, books, decorations, electrical appliances, women's, men's and children's clothing, bags, shoes** and much more.

Your benefit:

- >> great cost/performance ratio
- >> central location is easy to reach
- >> large range in two thrift stores
- >> rarities and collectibles
- >> useful things for the whole family
- >> constantly changing range of goods
- >> electrical devices tested according to DIN VDE 0701/0702

Visit us in OBERSENDLING or in the WEST-END. Do you have something to give away? Feel free to talk to us.
